Nursery Road Suit To Begin This Week

Shift From Jury to Non- Jury Calendar Reason For Delay

After several months of waiting Niles people will be glad to hear that the condemnation suit for road right-of-way through the California Nursery and other grounds is scheduled to begin Friday (tomorrow), in Oakland, according to work received from the district attorney's office.

Following is part of a letter the Register received from District Attorney Earl Warren:

"On March 29 the board of supervisors requested this office to commence suit, and on April 6 the complaint was filed and the summons placed in the hands of the proper authorities for service, some of the defendants being out of the county. There were a large number of defendants and

it was necessary to secure disclaimers from some of them in order to avoid additional expense to the county. All the answers were filed by June 15, and on the 21st of June we moved to set the case for trial.

"The defendants demanded a jury trial and the case was set for September 23rd, this being the earliest date available. Just prior to September 23rd the defendants waived their right to a trial by jury, which automatically took the case from the jury calendar and placed it on the non-jury calendar. In the ordinary course of events this would have occasioned a delay of several months, but we secured a stipulation from the defendants consenting to try the case at the first open date on the non-jury calendar which is October 28. The case is therefore definitely set for that time."

PIONEER DECOTO DRUNKEN DRIVING MAN ANSWERS LAST CALL CASE DISMISSED AT NILES

One of the oldest residents of Decoto was called by death Sunday when Joseph Machado passed away at an Oakland hospital. He was born in Decoto and had lived there nearly seventy years.

His wife, Mrs. Louisa Machado and the following children survive: Tony, Clarence, Helen, Mildred, and George Machado, and Mrs. Iola Joseph.

Funeral services were held from a Hayward mortuary Tuesday morning. Burial followed at the Holy Ghost cemetery in Centerville.

Mr. and Mrs. Owen Swainson were business visitors in San Francisco Monday.

Upon request from the district attorney's office, the case of Emil Christenson, of Oakland, charged with drunken driving, was dismissed in the Niles justice court Friday afternoon.

The dismissal came as the result of Christenson pleading guilty to a charge against him in Oakland, and being sentenced to eight months in the county jail. He was given a two year parole sentence with the stipulation that he serve the first eight months in the county jail. The Oakland charge originated on the same day that he was arrested near Niles.

William V. Eberly was a week-end visitor in San Francisco.

TWO INJURED WHEN HORSES STAGE RUNAWAY

Excitement reigned high among motorists on the highway south of Niles Sunday morning when a team of horses drawing a wagon in which Gregorio Bernardo and three sons, of Niles, were seated staged a runaway by the Overacker crossing. A passing automobile is said to have frightened the horses.

Bernardo suffered a severe laceration of the head when the wagon overturned and threw the occupants on the pavement. His twelve-year-old son, Lewis, also sustained head lacerations. Both were treated by Dr. E. C. Grau at Niles.

Motoists in the vicinity of the runaway dashed madly back and forth on the highway in the attempt to avoid the speeding horses. One of the animals was killed when it crashed into a fence.

Mr. and Mrs. Phillip Moore spent the week-end visiting in San Francisco.

NILES CHAMBER TO ACT ON STATE HIGHWAY PLAN

FLAMES DESTROY HOME NEAR DECOTO

Fire of undetermined origin destroyed the home of Tom Silva and family on the Bell ranch road near Decoto late last Wednesday night. The flames also demolished a large water tank adjoining the house and did damage that totaled over \$3000.

The fire broke out at midnight and in a few moments the entire house was in flames. The Decoto and Centerville fire departments responded to the alarm and it was only through their efforts that the barns on the ranch were saved. Nothing was saved from the home. The loss is partly covered by insurance.

Road Committee Will At- tend Meeting In Hay- ward Saturday

Members of the Niles Chamber of Commerce road committee appointed last week will attend a meeting at the Hayward city hall at 2 p. m. Saturday afternoon, where Senator Arthur H. Breed's proposed bill to secure more state highway mileage for this section of the state will be discussed.

This was moved at the chamber meeting Monday when a communication from the Federated Clubs of southern Alameda county had been read to the gathering by A. J. Petsche, secretary, inviting representatives from Niles to attend.

As many members of the committee as possible are planning to be present at the Hayward meeting and will present a report of what is accomplished at next week's gathering of the Niles chamber. The committee is composed of Harvey Braun, E. A. Ellsworth, Lester Duffey, W. B. Kirk, and Robert Blacow.

Purpose of the Hayward meeting is to formulate a program for securing more state highway mileage for southern Alameda county.

After a motion by W. B. Kirk, it was moved at Monday's meeting to give \$10 from the civic body's special fund to the Washington township Boy Scout fund. This decision was made after President F. V. Jones announced that Niles had fallen short of its quota when reports were turned in at a meeting held at the Centerville justice court Friday night, when the fund drive was concluded. A total of \$116 had been pledged from Niles, while its quota was set at \$200.

President Jones said the Niles merchants would be contacted this week to make up the deficiency. In previous years the merchants had contributed the entire amount to the scout fund, but this year a house to house campaign was conducted. The president expressed hope that Niles would go "over the top" again this year as it always has done in the past.

A brief but convincing testimonial to the worthwhile results of Boy Scout work was pointed out to the civic body by E. A. Ellsworth when he recalled a statement made by a recent warden of San Quentin that records revealed that a Boy Scout had never been an inmate of the state penitentiary.

Upon the suggestion of W. B. Kirk, the chamber will investigate what can be done to curb the practice of nailing posters and signs on the trees along First street.

It was suggested by Dr. E. C. Grau that the Niles chamber hold another whist party to add to its special fund for charity and other such work. He said a similar party held two years ago had proved one of the most successful affairs of this kind ever staged in Niles. The chamber will discuss the suggestion at next week's gathering.

Dr. E. C. Grau was appointed committee chairman for next week.

Mrs. Louise Forbes and daughter and son, of Red Bluff, were dinner guests at the home of Mr. and Mrs. J. D. Ferry Sunday.

American Legion Auxiliary and the Niles Parent-Teachers Association conducted booths at the festival.

A full report of the results of the festival will be made at a later date. Meanwhile, members of the Toyon Branch wish to express their thanks to all who helped in making the festival possible.

YOUTH IS KILLED IN AUTO CRASH AT NEWARK; ONE SERIOUSLY INJURED

Newark Boys Collide With Stanford University Football Men

Shigeo Kakimoto received injuries which resulted in his death and Irving Steinhoff was badly hurt when an automobile driven by Kawimoto crashed with a Palo Alto car at the intersection of the Alvarado and Dumbarton bridge road near Newark last Tuesday night. Both Kakimoto and Steinhoff were Newark boys.

Failure of Kakimoto to stop at the intersection when he came off the Alvarado road was declared the cause of the accident by officials who investigated.

In the other machine was C. C. Winterbaum, coach of the Stanford freshman football team; Dan Robesky, assistant frosh coach, and Robert Grayson, star froshman football player. The three received bruises and minor injuries.

After the collision, the Newark car smashed into an abandoned windmill near the highway and was totally demolished.

An attempt was made to give relief to Kakimoto with the Centerville fire department pulmotor, after which he was rushed to the San Jose hospital but died en route.

Steinhoff, who is well-known in Newark, also was rushed to a San Jose hospital where he is recovering.

The dead youth is the son of a foreman employed by the Arden Salt Company at its site near the Morton refinery.

Funeral services for Kakimoto were held at his home Thursday of last week. Boteho mortuary was in charge of the funeral arrangements. Interment was made at the California Crematorium in Berkeley.

NILES SCHOOL NINE HARVEST FESTIVAL BREAK EVEN IN 2 CONTESTS ENJOYED AT NILES

The Niles grammar school baseball nine broke even in two games played with other township teams last week. Last Tuesday, the Niles boys took the measure of the Centerville school lancers by the score of 9 to 4 at Centerville, and dropped an 8 to 3 decision to Alvarado at Niles Thursday afternoon.

In the Centerville contest, the Centerville boys scored all their four runs in the third inning when Reno Quarteroll, Niles pitcher, lost control of his slants. He walked all four tallies across the plate.

Anthony Souza started on the mound for Niles in the Alvarado game and allowed three boys to populate the sacks, after which Andrade, Alvarado hurler, stepped to the plate to pole out a home run. When he allowed three boys to cross the plate in the second inning due to free passes, he was replaced by Quarteroll, who held Alvarado in check for the remainder of the game. The Niles boys, however, were unable to overcome their opponents' lead.

Although disagreeable weather conditions reduced the size of the crowd expected, the annual harvest festival given by Toyon Branch, at the California Nursery at Niles Saturday and Sunday was highly enjoyed by all those who attended.

Autumnal decorations artistically bedecked the historic old adobe and added greatly to the festive atmosphere. Tea, punch and wafers were served those present.

An interesting feature during the two days was the demonstration of Boy Scout activities by members of Troops 1 and 2, of Niles. The boys performed several demonstrations which revealed talent and ability.

Because of the weather the programs slated to be presented by pupils of the Niles grammar school were called off. Six girl pupils from the Decoto grammar school, however, entertained the gathering with artistic dances during the festival.

In addition to the Toyon Branch booth, the Washington township

EDITORIAL COMMENT

Real Issues In This Campaign

If there were not greater issues at stake than prohibition in the election of November 8, it is very likely that this paper would be supporting Pastor Shuler, the radio crusader of Los Angeles. But there are greater issues than prohibition. There is the issue of bread and butter, and at stake is the issue whether representative government shall endure or the insidious movement toward a capitalistic bureaucracy go on, unchecked as it has under the administration of Herbert Hoover.

We set aside, in the interest of democracy, our deep-seated and admittedly prejudiced attitude toward the liquor traffic. William Gibbs McAdoo is such a big man in the things he has done, the philosophy of his public life has been so close to that of humanity, his accomplishments in the realm of human endeavor have been so embracing and beneficial to good government, that no man who loves America can do otherwise than support him for the United States senatorship.

With no desire to disparage the record of Bob Shuler, who has shown fine courage in fighting vice and corruption in the southern California metropolis, it is a fact, nevertheless, that in comparison with McAdoo he is a political pigmy. He could not, however much he might try, accomplish at Washington even a fraction of the good that the ex-secretary of the treasury would be able to do because of his long experience in national affairs, and his wide acquaintance with men and measures.

Coming down to Tallant Tubbs, he is just impossible. He imagines that his fellow citizens are all booze hounds, and they have nothing on the brain but a desire to get a drink under the sanction of the United States government. He has no economic grasp of the times and would drift into office on a beer keg. Unfortunately, there are some pretty serious matters to be settled, and the least among them is prohibition. If elected he could do no more for the thirsty than McAdoo. The democratic candidate says that he stands on his party platform, and when he says that he means just that. The repeal of the Eighteenth amendment must come by slow process of law. It cannot be jerked out of the constitution overnight by men like Tubbs. The man insults your intelligence when he says he will give you back your beer, if he is elected. He can do nothing more than McAdoo has promised to do, and back of that promise is the power of the Democratic platform.

Friends and citizens of Washington Township: You have a great opportunity to place in the United States senate one of the very brainiest men in America—a powerful fighter, whose heart is right, whose record is clean—a man who will use all those great resources he possesses, if elected, to return the government of these United States to the people, and restore the equilibrium between money and man.

It Makes Us Sick All Over

This Templeton case makes us sick at our stomach. The parents of the moron give us a pain all over. The metropolitan papers make us blush with shame for the manner in which they have illustrated and written the proceedings of both the trials.

The boy is apparently just a low-down murderer. Nothing romantic or heroic about the way he stabbed to death his aunt, who had, in times past, befriended him and his family, for the deed was done under cover of darkness, while she slept. Cowardly!

Why all this rubbish about his fraternity pals. Why all these pictures showing the dirty cur smiling and laughing with his sister and parents at the trial. Is that conducive to respect for law; does it not, on the other hand, put a premium on criminality.

This is a fine business that the press is in. Its pages reek with the same depravity that this college tough displayed when he killed, premeditatedly, in cold blood, in a sneaking manner and with a purpose of profiting financially by the act. And the papers make him a hero.

Good God; into what depths has the profession of Greeley, Pulitzer, Nelson, Watterson and our father fallen!

High School Notes (Not for Publication)

It was all a mistake. The report was not true. Kibby still drives the bus. It was noised on the street that the school board had at last heard the voice of humanity, and had decided to give that forty-five dollar-a-month job to the man with three children, out of work and dependent, whom the writer referred to in last week's Register. But it was only a rumor. Nothing more. No two-job teacher is letting loose of his or her "velvet." The spirit of Christian charity seems to be dead over at the Centerville school. Nothing but dynamite would loosen things up.

Here is a list of those drawing down double pay, while their fellows are begging for a chance to make enough to eat: Assistant Principal Gools, (his wife draws down a big salary at Sunol, and the principal of the Sunol school comes over to Centerville and draws down sixteen a week working under Boss Gools. Nice arrangement. You scratch my back and I'll scratch yours); Paul Pitman, S. Bellel, W. E. Gravestock, J. W. Regli, W. D. Mette, and Bus Driver Kibby. Webb is temporarily off the roster.

No, the Register did not lie about the bus not being covered by insurance. Children coming home from high

EAST OAKLAND WINS SIXTH STRAIGHT VICTORY

A number of baseball fans witnessed the victory of the East Oakland club by a score of 3 to 1 in their game with Cassen Pavers, of Hayward, at Ashland, Sunday.

This is the sixth consecutive victory for the team. Ashland's Reliable Auto Wreckers are now tied with East Oakland for first place honors. On Sunday, October 30, the two teams will meet at the school ground in Ashland and both will be fighting hard to hold first place.

In the previous game with Ashland the score remained 0-0 until the last half of the ninth inning when Ashland worked a squeeze play to score a run.

ATTEND COUNCIL MEET

Mrs. Genevieve Dutra, Mrs. May Santos, Mrs. Isabel Menezes, and Mrs. Mary Davilla attended the Parent-Teachers Association council meeting held Thursday afternoon of last week in the Mission San Jose grammar school.

Oakland Juveniles To Perform At Alvarado

The Oakland Tribune Juveniles, who presented a wonderful program on their previous visit here, will again perform in the school auditorium in the very near future.

They will be assisted by the Alvaado branch of the Aunt Elsie Kiddie Club. The program will be entirely new and is promised to be bigger and better than before.

ENTERTAIN FRIENDS

Mr. and Mrs. Earle Hellwig and Mr. and Mrs. John Ralph entertained Mr. and Mrs. Theodore Lydecker and Mr. and Mrs. Byron Priest, of Oakland, Mr. and Mrs. Brown, of San Leandro, and the Misses Floa and Nancy McKeown, over the week-end at the Ralph summer home in the Santa Cruz mountains. A Hallowe'en party was given in their honor.

Alberta Menezes has been confined to her home with a severe cold.

Mrs. D. Dekidos and Mrs. John F. Bettencourt and daughter spent Wednesday in Oakland.

Tom King and Manuel Silva, of Oakland, visited Mr. and Mrs. Jacinto Tuesday evening. Mr. Silva is the manager of the East Oakland ball club.

P.-T. A. Whist Party Results In Success

The whist party given at the school auditorium Friday evening, at which the Parent-Teachers Association entertained the guests proved very successful.

Ten tables were filled and a great number were also present who did not participate in the games.

Coffee and sandwiches were served at the close of the game.

ATTEND PARTY

Miss May Avila, Mr. and Mrs. Clarence Flores, Mr. and Mrs. Frank Roderick, Mr. and Mrs. Pete Brown, Miss Eleanor Roderick, and Mrs. Anne Amaral were among those who attended the Hallowe'en party given by the Y. L. I. Thursday evening in the L. O. O. F. hall. Fortune telling, stunts, dancing and refreshments were enjoyed.

FORMER RESIDENT OF NILES KILLED AT TRACY

News of the tragic death of Ernest E. Southwick at Tracy last week came as a great shock to many of the pioneer residents of Washington township, to whom he was well-known.

Southwick, who was instantly killed when struck by an automobile while crossing a street in Tracy, was a first cousin of Mrs. W. H. Ford, of Niles. He came to Niles from New York about 1884 and lived here for about twenty years. During the time he resided in Niles he was active in social and civic affairs and made a wide circle of friends.

After leaving Niles, the deceased moved with his family to Tracy where he lived until his death. He also made many friends and was well known in that community. He is survived by a daughter, Marion Stocking, four grandchildren, and a son, Clough Southwick.

Funeral services were held at Tracy Tuesday. The body was cremated. Mrs. W. H. Ford attended the services.

Pleasanton Junior Chamber Is Host at Dinner

Members of the Pleasanton Junior Chamber of Commerce were hosts to representatives of all junior chambers of commerce in the bay counties at a dinner meeting at the Castlewood country club last Wednesday evening.

John J. Amaral, president of the Pleasanton organization, presided over the meeting.

The counties represented were Vallejo, San Mateo, Alameda and Santa Clara.

The committee in charge of the arrangements for the affair consisted of Andy Jorgensen, Peter Christesen and Robert Cope, all of Pleasanton.

Problems and plans of the different chambers were discussed at the meeting.

Pleasanton Court Has Unusually Busy Day

A total of \$130.00 was collected in traffic fines at the Pleasanton justice court by Judge Charles A. Gale for traffic violations last week.

Three traffic cases were continued until later dates and three warrants were issued for violators who failed to appear.

MISSION RESIDENT FOUND DEAD IN BED

Joseph A. Silveria, fifty years a resident of Mission San Jose, was found dead at his home in Mission San Jose Tuesday morning. He had been suffering from illness for some time.

Silveria, who was seventy-eight years of age, was formerly a proprietor of a hotel in Mission. He was a native of the Azores Islands.

Several children survive. Funeral services were held Wednesday morning (yesterday) from St. Joseph's church in Mission San Jose, with Father Leal in charge of the ceremony. Interment followed in St. Joseph's cemetery.

Botelho mortuary, of Centerville, was in charge of funeral arrangements.

Welfare Groups Asked To Gather At Niles

Mrs. J. E. Thane, chairman of the children's department of the southern Alameda county welfare board, has requested that every organization doing welfare work in this section send a representative to the next meeting of the welfare board to be held in the Niles library, Thursday, November 3.

At that time an effort will be made to determine what each organization is doing and try to work out plans of cooperation and consolation so as to prevent any overlapping that might possibly exist in welfare work. Other members appointed by Mrs. Thane to serve on the committee are Mrs. William Eberly, Mrs. W. D. Paterson and Mrs. Nell F. Meyers.

Action Promised In Irvington Fight Card

After complete renovations which provides a seating capacity of over 200 people and assures plenty of ventilation, Jack Silva will stage another one of his popular fight cards at the Irvington Odd Fellows' hall Thursday night, November 3. A partition in the building had been torn down to make plenty of seating space for the crowd.

One of the best fight cards of the year has been arranged by Silva for his re-opening of the Irvington Star Athletic Club. The main event is bound to draw loud acclaim from fight fans when Gus Vegas, Decoto buzzsaw, clashes with Billy Gerald. Real action is promised in other bouts in the card featuring Jack Petric vs. Al Rovay, George Levan vs. Jimmy Ingram, Billy Ryan vs. Earle Brooks, Young Austin vs. Sammy Elias, Eddie Cleveland vs. Kid Kelly, Al Newcio vs. Concrete Cornado, Young Corbett vs. Dave Velasco, Battling Johnny Marshall vs. Phil Ramsell, F. Torres vs. Al Sorenson and many others.

Mrs. Paul Knutsen, of Pleasanton, was a visitor at the home of Mr. and Mrs. J. D. Ferry, Sunday.

Bonfire Rally Stirs up Pep in Pleasanton

Students and Teachers Celebrate on Eve of Game With Centerville

A peppy bonfire rally was held by students of the Amador Valley Joint Union high school last Thursday night.

A large pile of wood was gathered by the freshmen, and, when set afire, burned for about an hour.

The opening event was a se-

lection by the high school band under the direction of Harry Tripp, musical teacher. Yells were led by John Dolstra, yell leader. He was assisted by Bob Stevenson.

Captain Bob Silva was called upon to give the first speech. After giving his opinion of the Centerville game last Friday he was given a yell.

Following Silva's talk the band played another selection and another yell was given. Coach George Patterson was called on next to give a talk. Then every one on the starting lineup last Friday was asked to say a few words by Dolstra. A number of stunts and yells were given between each speech.

How Old?

He doesn't look a day over fifty.
And feels like forty.
At the age of 62.

That's the happy state of health
and pep a man enjoys when he gives
his vital organs a little stimulant!

When your system is stagnant
and you feel sluggish, headachy,
half-alive—don't waste money on
"tonics" or "regulators" or similar
patent medicines. Stimulate the
liver and bowels. Use a famous
physician's prescription every drug
store keeps. Just ask them for Dr.
Caldwell's syrup pepsin.

This appetizing syrup is made
from fresh laxative herbs, active
senna, and pure pepsin. One dose
will clear up almost any case of
headache, biliousness, constipation.

But if you want to keep in fine
shape, feel fit the year 'round, take
a spoonful of Dr. Caldwell's syrup
pepsin every few days. You'll eat
better, sleep better and feel better.
You will never need another laxative.

Give the children a little of this
delicious syrup two or three times a
week. A gentle, natural stimulant
that makes them eat and keeps the
bowels from clogging. And saves
them from so many sick spells and
colds.

Have a sound stomach, active

expel every bit of waste and poison
every day! Just keep a bottle of
Dr. Caldwell's syrup pepsin on
hand; take a stimulating spoonful
every now and then. See if you
don't feel new vigor in every way.

Need To Reduce Gas Tax Is Stressed By League

The ripe plum of the gasoline tax fund, wrung from the flat purses of the automobile owners of California, is too great a temptation to be resisted by the politicians at Sacramento. Over-taxation of automobile owners, chiefly through the state tax of three cents a gallon on gasoline, is building up a surplus that the department of public works and the state highway department are unable to control.

The Automobile Owners Tax Reduction League predicted that greed of politicians would make this fund a plaything of the state administration with spoils to special privilege. This prediction had hardly reached the public when press reports from Sacramento revealed a row over the disposition of the millions of dollars unjustly extracted from the owners of automobiles to build up a fund for public waste, instead of adequate construction and maintenance of state highways.

Gov. James Rolph, Jr., called Walter Garrison, ex-director of public works, and James L. Hertz, his deputy, on the official carpet to give an account of their stewardship of the swollen gasoline fund. Garrison, in an unexpected burst of honesty and frankness, declared that Rolph's displeasure was aroused by the fact that the governor's friends had not been given contracts to construct highways without competitive bidding.

Earl E. Kelly, chairman of the state highway commission, in-

jected himself into the controversy and appeared as a candidate for Garrison's fat job of director of public works and landed in that berth.

Governor Rolph, in a vain attempt to smother the scandal which all well-informed observers knew to exist in the wasteful expenditure of the gasoline tax fund, asked for the resignation of Garrison and Hertz, which was refused. Then the governor fired both of them. That started the fireworks.

This row in administration circles is insignificant to personal allies. Its importance is the establishment of the truths made evident through recent activities of the Automobile Owners Tax Reduction League that the present state gasoline tax has become the football of politicians and that the one remedy is enactment by the next legislature of a bill to reduce the state gasoline tax by at least one cent a gallon.

Automobile owners of California are now grossly over-taxed with a three-cent a gallon levy by the state and one cent a gallon by the federal government—a tax of virtually thirty per cent ad valorem on one of the necessities of modern life. Support now pledged to the Automobile Owners Tax Reduction League will find relief from this excessive burden without impairing California's leadership among the states, as an area of adequate and perfectly maintained highways.

Pleasanton Women at Castlewood Tea

A large number of Pleasanton women attended the tea given at the Castlewood country club last Monday by the Ladies' Aid society of the Pleasanton Presbyterian church.

Following the tea, bridge was enjoyed. Money raised at the affair will go toward the church funds, stated Mrs. W. T. Nilson, of Pleasanton, president of the organization.

Several vocal selections were rendered by Mrs. Henry May, of Berkeley, accompanied by her daughter, Elizabeth. Mrs. May sang three numbers in French and four in English.

SINGLE DISTRICT MADE FOR THREE TROOPS OF SCOUTS

Move Will Unify Work in
Livermore, Sunol and
Pleasanton

In order to unify the work of the Livermore, Sunol and Pleasanton Boy Scout troops, the organization of a single district to include all three was undertaken at a meeting of scout leaders in the Pleasanton city hall recently.

Homer J. Bemiss, scout executive of the Oakland area, presided over the meeting. Bemiss outlined the plans for the organization of the scout district as the same project has been carried out in San Leandro and Washington township.

Under the new plan the district will operate under a chairman, who will appoint sub-committees in each of the three towns to work out the program of activities for the scouts. These district committeemen will also arrange for the financial support of the scouts.

The name of the district has not been selected. Under the new plan all scouts in the three towns will be working on similar lines of activities instead of at random.

E. J. Lawless, of Livermore, was appointed temporary chairman of the district.

The following were present at the meeting:

From Sunol—J. H. Rankin, scoutmaster and chairman of Sunol troop committee; Homer Clapp, activities man of Sunol troop committee; George Roraback, treasurer of Sunol troop committee; John Preston, secretary of Sunol troop committee; George Johnson, training man of Sunol troop committee; John Rossi, assistant scoutmaster of Sunol troop No. 1.

From Livermore—E. J. Lawless, chairman of Livermore troop committee; Charles Hill, scoutmaster of Livermore troop No. 1.

From Del Valle—Charles Camenzind, assistant scoutmaster of Del Valle troop No. 1.

From Pleasanton—Thomas Orloff, chairman of Pleasanton troop committee; Crawford Letham, secretary of Pleasanton troop committee; Thomas H. Silver, treasurer of Pleasanton troop committee; Bruce Pickard, activities man of Pleasanton troop committee; Andrew Jorgensen; V. Bernard Johnson, scoutmaster of Pleasanton troop No. 1.

From Oakland Area Council—Homer J. Bemiss, scout executive; Irving P. Beesley, field executive.

RAILROAD GROUPS ACCLAIM M'ADOO FOR SENATE POST

Resolution Praises Candidate for Attitude
Toward Labor

OAKLAND, Oct. 26—"William Gibbs McAdoo's fair attitude toward both organized and unorganized labor during the time he served as secretary of the treasury and director-general of the railroads should commend him to all workers, both in agriculture and industry," states a resolution endorsing the democratic senatorial nominee adopted by Oakland Lodge, No. 850, and Western Shore Lodge, No. 71, of the Brotherhood of Railroad Trainmen.

The resolution sets forth that McAdoo has been endorsed by the national and state executives of the Brotherhood of Railroad Trainmen.

"The attitude of William Gibbs McAdoo on the collection of foreign debts, his knowledge of international relations, his knowledge of the internal workings of railroads has in our opinion equipped him for the office for which he has been nominated," continues the resolution.

"At this time California needs in Washington a senator with the experience and background that Mr. McAdoo acquired during the time he was secretary of the treasury, director-general of railroads, and chairman of the federal reserve board, the federal farm loan board, the war finance corporation and the international high commission.

"We exhort our members and friends to use every honorable means to bring about the election of William Gibbs McAdoo to the United States senate."

Teams Compete on Rifle Range in Pleasanton

"Army" Beats Junior Chamber Representatives in
Marksmanship

About thirty men enjoyed the shooting at the American Legion rifle range on the Banke brothers' farm near Dublin recently.

Two teams were organized, and a contest was held. The two teams were called the "Army" group and the Junior Chamber of Commerce team. Those representing the "Army" were Adolph Banke, M. Pedersen, and Homer Allison, and the Junior Chamber of Commerce team consisted of Jack Bullene, Andy Jorgensen, and Peter Christesen.

The "Army" defeated the Junior Chamber of Commerce by a score of forty-four to thirty-eight.

Pedersen and Banke held perfect scores for the "Army," while Christesen had high score on the Junior Chamber of Commerce team.

Firemen Return From National Convention

Frank Madruga, assistant fire chief of the Centerville fire department, and Joe Pashote, and Louis Ruschka, of the Newark fire department returned Friday night after attending the national firemen's convention in San Diego last week.

Madruga stated that valuable information in the improving the efficiency of firemen was learned by those attending the gathering. An address by Chief Scott, of the Los Angeles fire department, concerning qualifications of firemen was especially interesting and significant, according to Madruga. In part the speaker said: "A professional fireman should have a certain amount of vocational training along with experience. If he cannot get vocational training through some school, he should read some good books or magazines on the subject of fire fighting so that he may be posted on newer methods and systems of fire fighting."

Popular Union Oil Manager Receives Last Rites Saturday

Centerville was deeply shocked last week to hear that Daniel A. Fitzgerald had died suddenly Wednesday night at his home.

Death was due to a stroke and was entirely unexpected to members of the family and the large number of Fitzgerald's friends. He became ill about two months ago and spent some time in St. Luke's hospital in San Francisco, from where he returned to Centerville a short time ago and, apparently, seemed to be on the road to recovery.

Fitzgerald had not complained of illness on the day of his death and had enjoyed an automobile ride. Death seized him shortly after seven o'clock in the evening while he was seated in a chair at his home.

The deceased, who was forty-nine years of age, was born in San Francisco. He had resided in Centerville for eighteen years and was manager of the Union Oil Company's distributing station here. He previously was employed by the same company in San Jose.

During his residence in Centerville, Fitzgerald made many close friends throughout Washington township. He was popular among all those acquainted with him. He was an active member of the Centerville Lions Club and the Centerville council of the Knights of Columbus.

In addition to his wife, the deceased is survived by three brothers, Paul Fitzgerald, of San Francisco; Joseph and George Fitzgerald, of San Jose; three sisters, Misses Pauline and Margaret Fitzgerald, and Mrs. Birdie Van Kessel, all of San Francisco. He also was the brother-in-law of M. P. and George Mathiesen, of Centerville.

Funeral services were held from the family home and the Centerville Holy Ghost church Saturday morning. Requiem high mass was said for the soul of the deceased. Interment followed in St. Clair cemetery in Santa Clara.

WASHINGTON HIGH GRIDDERS SUCCUMB TO AMADOR ATTACK

Pleasanton Scores Four Touchdowns Against Cornhuskers

A hard smashing, smooth functioning Amador high school eleven proved too much for the Washington Union high school grid machine Friday afternoon as the Cornhuskers lost their second southern Alameda county league contest at Pleasanton.

Featuring straight line drives down the field which Washington seemed powerless to halt, the Amador gridders rolled up four touchdowns against Coach Jess Regli's warriors and made three of the tries for conversion good to win by a score of 27 to 0.

The Washington line suffered a severe set back during the early minutes of the game when Captain Jim Booras had to leave the contest on account of a broken nose. Booras has been the bulwark of Washington defense all year and his loss was disastrous. Up until he received his injury the Amador eleven had failed to cross the Cornhusker goal line. Booras was replaced by Louis Manuel.

Amador crossed the Washington goal line once in each of the four periods. The first score came shortly after Booras had been removed when Amador drove over fifty yards through the line into scoring territory.

Line drives also were responsible for touchdowns in the second, third and fourth quarters. Although the Amadorites failed to convert after the first touchdown, they were successful on the other three occasions to bring their final count to 27.

Washington failed to threaten the enemy goal line at any stage throughout the battle. Dutra played outstanding ball for the Amador eleven, scoring three of his team's touchdowns. Herb Harrold at tackle for Washington put up the hardest fight for his team.

Starting Washington line-up was Booras, center; Sam Densmore and J. Wilson, guards; Herb Harrold and Sinclair, tackles; Rivers and Silva, ends; Raso, quarter back; Ramos and Rose, halves; Geib, full.

Rites at Centerville For Warm Springs Lady

Last rites for Mrs. Fuji Baba, of Warm Springs, who died at the San Jose hospital Saturday morning, were held from the Botelho Chapel of the Palms in Centerville Monday afternoon. Two Buddhist priests officiated.

Mrs. Baba is survived by her husband, T. Baba, and several children. She was forty-nine years of age.

Interment was made at the California Crematorium in Oakland.

Grand Trustee Present At Native Sons Meet

WARNING!

VOTE "NO", November 8th, 1932, on Proposition No. 3—an initiative measure entitled "Foreclosure of Mortgages and Trust Deeds." It is a selfish, dangerous measure. Don't be deceived as to its real purpose and effect. It is against the best interests of California home owners.

1. It will increase foreclosure costs by compelling a court action in every case.
2. It can be made the tool of injustice by allowing a borrower in default to be evicted in fifteen days if he does not pay rent.
3. The measure makes deficiency judgments automatic.
4. The measure imperils existing loans, by making renewals more difficult.
5. It will compel home purchasers to make a much larger down payment.
6. It will decrease the loan value of California property, making borrowing both difficult and expensive.
7. It will delay building activity, and further aggravate unemployment.
8. It will make the sale of real estate more difficult.
9. It will increase taxes.
10. It will benefit no one except those who profit by the fees from litigation.

school passed the word on that this paper was a stranger to the truth, evidently being inspired to such an assertion.

Again we repeat, and it cannot be contradicted, that the smash-up of the bus was a total loss. Not a dollar insurance. It will cost the taxpayers the price of a new bus, which will be anywhere from three to five thousand dollars. That is just part of the harvest from this two-job plan carried out by Principal Rathbone, late of Galt.

LADIES INSTITUTE ENTERTAINS AT FUNCTION

Members of Centerville council of the Knights of Columbus were guests of the Young Ladies Institute, of Niles, at a Halloween party held last Thursday evening.

There were over one hundred present. Several Halloween stunts and games were enjoyed. Following the entertainment, refreshments were served. The table decorations were carried out in orange and black appropriate to Halloween. Witches and skeletons made up the favors.

The stunts and songs for the entertainment were arranged by Irene Leonard, of Decoto. She took the part of the old witch. Mae Roderick was the wise old cat. A stunt in which three ghosts rose from their graves was the climax of the evening. Those taking part in this act were Laura Secada, the spirit of a sneak; Mary Lucas, the spirit of miniature golf; and Hazel Mendoza, the spirit of a party. All wore attractive costumes.

Others taking part in the affair as goblin and ghosts were Elinor Silveria, Annie Flores, Laura Mayer, Gertrude Enos, Mrs. A. Perry, Florence Cunha, and Marion Zwissig.

The same program was presented last night (Wednesday) at a Hayward American Legion Post and Auxiliary party and will be given at the Costume Carnival at the Elks Club in Alameda Friday night.

Amador Dons Are Complimented on Pre-League Plays

Coaches of various schools Pleasanton has played in practice games this season have complimented the Amador varsity on its brand of football.

The Dons played six practice games before the opening of the league schedule and won every one. In the first league game, which was played with Livermore, a team which has been defeated in practically all pre-league games, the Dons made a poor showing and the game ended a scoreless tie. During the past weeks Coach Patterson has been drilling the boys hard and it is to be hoped that they will make a better showing in the rest of their league games.

In a game played with Tracy recently, in which the Dons defeated the Tracy boys by a score of thirty-one to nothing, Coach Patterson remarked that the Dons played practically a perfect game of football. A letter was received from the Tracy coach last week which confirms the statement made by Patterson. The letter read as follows:

"I want to congratulate your team on the wonderful game they played while up here. It seems that they made a marvelous showing for the size of your school. Our team played the strong Oakland team and lost by a score of twelve to nothing. We almost made a touchdown on the Oakland team."

Chet Bentley, coach of the Salinas junior college, attended the Amador-Gonzales game in the early part of September and made the following remark about the Amador football team in a letter written to Coach George Patterson:

"Your team is the only one to beat Gonzales so far. Gonzales beat Pacific Grove thirteen to nothing, and last week they took Monterey high by one touchdown. You should be pleased with their showing."

THREE PURSES STOLEN AT PLEASANTON DANCE

Three purses, containing money, valuable papers and keys, were stolen from three girls at a dance in the Pleasanton Foresters' hall recently, according to reports received from police officers last week.

The girls stated that they had left the purses where they had been sitting, and when they returned to their seats after a dance the purses were gone. The purses belonged to Julia and Henrietta Woods and Ida Mills, all of Pleasanton.

THIEF BREAKS INTO AMADOR HIGH SCHOOL

Small Change and Food Taken; Damage Done to Doors

So far no definite progress has been made in tracking the thief who recently broke into the Amador Valley high school.

Almost two dollars in small change was stolen from teachers' desks. Practically every door in the school was broken open and considerable damage done in the process. The school safe was opened by working the combination, but it contained nothing of value to the intruder. Some coffee was taken from the cooking room, and several cases of spices were broken open in the intruder's search for food. Entrance was gained by breaking into one of the library windows on the ground floor.

Although the thief was careful in wiping away all trace of finger prints, one valuable clue leads the officers to believe that the thief will be brought to justice in the near future. Chewing tobacco stains throughout the building furnish the clew which officers believe will eventually lead to the man's arrest.

Although this is the first time the school has been broken into this year, the occurrence has taken place several times in past years. And in each previous case entrance was gained through the same window.

FARM HOME HALLOWEEN PARTY IS HELD IN PLEASANTON SATURDAY

Final Plans for Big Affair Were Completed Last Week

Final plans for the Halloween party given by the Pleasanton Farm Home Department in the parlors of the Pleasanton Presbyterian church Saturday evening were completed last week according to Mrs. B. F. Newton, chairman.

Members of the Livermore-Pleasanton Farm Bureau and of the Livermore Farm Home department and their families were the guests of the Pleasanton Farm Home department.

Halloween stunts, games, and other diversions occupied the evening. The room and table decorations were in black and orange, colors appropriate to Halloween. Refreshments were served.

Those who assisted Mrs. Newton are Mrs. G. T. Fleming, Mrs. Fred Hall, Mrs. J. W. Sheffield and Mrs. Edna Harris, all of Pleasanton.

Miss N. Smith, of U. C., will be the speaker of the evening.

FAVORITE RECIPES OF A FAMOUS CHEF

As Told to Anne Baker By ROGER CRETAUX, Chef, The Roosevelt, New York City

Savory Brussels Sprouts—Cook one quart of Brussels sprouts in salted water until tender. Drain thoroughly, place in a hot dish and pour over them a sauce which is made as follows. Mix together one teaspoon mustard, three-fourths teaspoon salt, one teaspoon sugar, one-fourth teaspoon paprika, one well-beaten egg, one-half cup vinegar and two tablespoons salad oil. Cook in a double boiler until the mixture thickens. Then add one tablespoon melted butter, one-half teaspoon curry powder, one teaspoon minced parsley, and one-half teaspoon grated onion. Beat thoroughly and pour over the sprouts while both the sprouts and the sauce are still hot.

Tomato Rarebit—Heat one pint of canned tomatoes and add one teaspoon salt, one teaspoon sugar, one tablespoon chopped onion, one-eighth teaspoon pepper, and a dash of cayenne. Keep the tomatoes bubbling over the fire, adding gradually one-half pound of cheese cut into small pieces. Stir constantly until the cheese has melted and the mixture is smooth. Then add one teaspoon butter and one well-beaten egg, stirring all the while. Remove from the fire and serve immediately on slices of hot, buttered toast.

Evening Class Holds Interest in Pleasanton

Current and Practical Ideas Form Basis of Subject at Present

Work of the day, ideas secured through reading, and the practical conversations of business make up the foundation of the progress of the evening public speaking class at the Amador Valley high school, conducted every Tuesday evening under the direction of V. O. McCormick.

In the near future the members of the class expect to give awards for merit in public speaking to their fellow members. Entertainment and good fellowship as well as progress in speech arts make this class very popular.

DOG RACING COURSE AT EL CERRITO IS OPEN EVERY NIGHT

The new El Cerrito Kennel club racing course at Fairmont and San Pablo avenues, El Cerrito, was officially opened last Saturday evening at eight-fifteen, when some of the fastest greyhounds of the United States competed for the first time on this beautiful new track, just completed at a cost of \$100,000.00.

Thousands of dog lovers and race enthusiasts gathered on the occasion, and plans were made by G. F. Chapman for the comfort and entertainment of everyone. The huge grandstand, planned to seat 10,000 people, provides a wonderful view of the entire track from every seat and seating arrangements have been carefully worked out for the comfort of the patrons.

Parking space for 2,500 automobiles has been provided and attendants are on hand to aid motorists in parking quickly and safely. The parking space is located in the immediate vicinity of the grandstand, and no part of the space is more than a few hundred feet from the stand. Every foot of the track, including the parking space, is flooded with light during the entire evening.

The exact position of the dogs in every race as they round the course is announced over the public address system, which is of the best type and which carries the voice of the announcer to all parts of the grandstand and grounds.

Those who assisted Mrs. Newton are Mrs. G. T. Fleming, Mrs. Fred Hall, Mrs. J. W. Sheffield and Mrs. Edna Harris, all of Pleasanton.

Miss N. Smith, of U. C., will be the speaker of the evening.

U.S.C. Football Men Stay at Castlewood Country Club

Fifty-one football players of the University of Southern California were at the Castlewood country club last Friday. They rested there over night in order to be in tip-top shape for their game with Stanford last Saturday at Palo Alto.

COUNTY FARM BUREAUS PLAN FOR MEMBERSHIP DRIVE IN NEAR FUTURE

Sacramento Man Is Speaker of Evening at Livermore Meeting

Committeemen of all Farm Bureaus in Alameda county held a meeting at Livermore last Tuesday night for the purpose of discussing a membership drive to be taken up in the near future.

About sixty men were present at the gathering representing the Hayward, Mountain House, Mt. Eden and Livermore-Pleasanton farm bureaus.

Alex Johnson, of Sacramento, was the speaker of the evening. He gave examples of how membership drives should be conducted.

At the session R. C. Kennedy, of Hayward, was appointed new state director. Following the business meeting a light dinner was served at a Livermore hotel.

PLEASANTON PAIR IN FREAK ACCIDENT

Mr. and Mrs. Harry Tripp, of Pleasanton, escaped injury last Wednesday night, when their car was forced into the ditch on the highway between Dublin and Santa Rita in an attempt to avoid bales of hay falling off a passing truck.

The Tripps were coming from Oakland, and the truck was going toward Oakland. Tripp noticed the hay falling off the truck just as he went to pass it. He pulled off the road and landed in the ditch without turning over. The car, however, was badly damaged by the falling bales of hay.

The hay belonged to N. J. Snyder, of Gustine, and the truck was driven by Anthony Silva. No one was hurt.

The "Cosmic Ray"

Since 1927 it has been known that the air is being traversed by a form of radiation capable of discharging an electroscope and having a greater penetrating power than X-rays. This radiation is capable of penetrating a lead block 16 feet thick. Experiments with balloons indicate that it comes from outer space, and it has been found that its intensity is independent of the solar or sidereal time and of the latitude of the observer, and that therefore it does not come from the sun or any particular region among the stars. The term applied to this radiation by Millikan is cosmic rays. (Its wave length is about 0.00001 Angstrom.) Doctor Millikan has suggested that these rays originate in the depths of space by the transmutation of radiation back into atoms.

Nature of Electricity Not Fully Understood

Electricity is known to be a form of energy, just as we have chemical light, heat and other forms. According to one authority: "Innumerable attempts have been made to ascertain the true nature of electricity, but it cannot be said that as yet there is any true knowledge of what this subtle agent really is." According to the electronic theory or hypothesis, the atom of matter is made up of smaller bodies called electrons, electrical in their nature, and consequently all matter ultimately is electrical, the atoms of the different elements of matter consisting of a certain number of electrons, thus 700 in the hydrogen atom and 11,200 in the oxygen atom. While this, of course, is only a theory, it serves to explain a great deal of the properties and manifestations of electricity, just as other theories of science help us to understand the nature of light, heat, etc.

Plans Completed For Benefit Xmas Affair

At a meeting of the Bluebird Club, on Tuesday evening at the home of Vice-President Beatrice Miller, final plans were made for the grand ball to be given at the Newark pavilion, October 20. Everything possible is being done by the communities for the success of this affair, and the ten dollar gold piece as a door honor will also be an added incentive for those attending.

The proceeds of this dance will be used for the benefit of the Community Christmas tree, and also to bring Christmas cheer to needy families.

Church Arranges For Annual Benefit Bazaar

Ladies of the Newark Presbyterian church were guests of the ladies of the Niles church, at Niles, Wednesday.

The group were entertained by a very interesting lecture on the book, "China Town Quest." The lecture was given by Mrs. Carol Wilson, author of the book.

BIG SALE SLATED AT PLEASANTON FOR NEXT WEEK

A big surprise is in store for people of southern Alameda county.

The H. Arendt Company merchandise stock, which was recently purchased by an Oakland department store, has been placed in the hands of J. Diamond, merchandise adjuster, of San Francisco, who is to place the entire stock on public sale at the Arendt store building in Pleasanton.

Diamond is known throughout the state to have no mercy when it comes to cutting and slashing prices. His orders are to sell regardless of cost or former selling prices in as short a time as possible. He assures the public one of the greatest value-giving sales in the history of California.

Prices will tell the story. The present owners are through and they mean it. It will pay all the Register readers to watch for H. Arendt Company's page ad, which will appear in next Thursday's issue.

MORE ON ALLEGED SWINDLERS

(Continued From Page One)

half of one per cent in returns from 1840 acres making up the so-called Bertholet Dome. A deed given in exchange for the money was introduced by the state at the hearing.

Reverend McElhinney went on to tell how he had met both Jewell and McCutcheon in a San Francisco hotel on September 21 and purchased further royalties in exchange for 116 shares of his Transamerica stock, for which he was given \$6.25 a share. At that meeting, the pastor said a telegram was received by the two men and shown to himself, which was alleged to have come from McCutcheon's brother. This telegram, said the witness, related how a fine quality of gas had been struck in the Bertholet Dome area and was "shooting sixty feet above the derrick." It also was said to have contained instructions to sell no more royalties at the price that Jewell and McCutcheon made the sales to the pastor. After turning over his 116 shares of stock to Jewell, Reverend McElhinney was given a receipt, also introduced by the state at Friday's hearing.

Mrs. Dorah Fuller was the next witness to be called to the stand by Deputy District Attorney Perkins. She told how she had met the two men through her sister, Mrs. Townsend. According to her testimony, she turned over thirty four shares of Transamerica stock and \$175 in cash to Jewell in exchange for royalties. This transaction was made at the Blair home. She received a document showing "assignment of royalties," introduced by the state as evidence.

Two witnesses who had been approached by Jewell and McCutcheon in an attempt to sell royalties were called to the stand. The first was Max Bodutch, who lives in the house adjoining the Blair home in Centerville. He told how both McCutcheon and Jewell had suggested that he should turn in his Transamerica stock in exchange for the gas royalties. But Bodutch said he suspected the men from the first and had not been interested.

A distant relative of the Blair sisters, John Scribner, of Livermore, was the next witness who testified how the pair attempted to sell him royalties in exchange for Transamerica stock, which they had discovered from some source he owned. He also refused to be "sold."

Edward P. Morse, from the state corporation commission office in San Francisco, was the last witness to testify. He said he had investigated the records of his office and found that no permit to sell securities in the

home of Mr. and Mrs. F. Laudenslager, of Newark, Sunday. The two also attended the Stanford University of Southern California football game.

BY JACK TOWNSEND

Members of Troop Nos. 1 and 2, of Niles, put on a demonstration at the Toyon Branch harvest festival held at the California Nursery Company grounds Saturday and Sunday. The demonstration included handicraft, cooking, signaling and other work done by the scouts. A wall crayon picture by Scoutmaster Pine, of Troop No. 2, was of special interest during the affair.

The biscuits cooked in a reflector oven came in for a large share of the praise. The feature Sunday was when Pine made a fire by friction before a large crowd. Although this is the first demonstration of its kind put on by the Niles scouts it proved to be a huge success.

Scoutmaster L. Pine, of Troop No. 2, and M. Green, of Troop No. 1, and J. E. Townsend, troop committeeman, of Niles, are attending the "Informal" at Oakland this week.

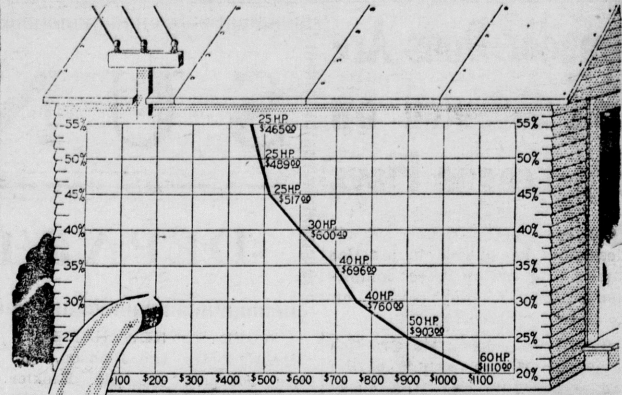

Everett Mendenhall, of Niles Troop 1, received his Eagle badge last Friday evening before a large crowd in the Oakland city hall council chambers. Mendenhall is the fifth Niles scout to receive the Eagle badge since September, 1931. Lawrence Pine and Jack Townsend received gold and bronze palms respectively.

The Decoto scouts will guard the Decoto grammar school Monday night. This will serve as a good turn towards the whole community as in previous Hal-low'eens the school has been seriously damaged.

state had been issued to either McCutcheon or Jewell or to any of the other names under which Jewell had been known.

Several verbal clashes between Sullivan and Perkins enlivened Friday's hearing. At this week's continuance of the hearing, two chief witnesses are expected to testify when Mrs. Ruth Blair Townsend and her sister, Miss Florence Blair, will be called to the stand. Both are said to have purchased royalties from the salesmen in sums totaling over a thousand dollars.

It is rumored that Mrs. Townsend, who was first to make the

Why PUMP EFFICIENCY determines the cost of Irrigation

It may be that the water level in your vicinity has gone down or that your pump has lifted sand and for this or some other reason the pump parts are worn. If so, and only a test will prove it, the efficiency of your pump has been reduced, and from 15% to 45% of the power used is probably wasted. This waste can be avoided.

EXAMPLE:

The accompanying graph shows how power costs rise as pump efficiency drops. Horsepower and cost figures are based on a pumping plant with a capacity of 500 gallons per minute on a lift of 100 feet. The job to be done is flooding 162 acres to a depth of twelve inches (162-acre feet) in 1752 hours, or 73 days. If the pump efficiency is only 20%, a 60-horsepower motor has to be used, and the operating cost is \$1,110. However, if the pump efficiency is increased to 55%, a 25-horsepower motor will do the same job for \$465. There is a saving of \$645.

The simplest way to reduce irrigating costs is to improve pump efficiency. An inefficient pump requires not only a larger motor but more power.

Experts estimate that the great majority of irrigation pumps in Northern and Central California are not more than 35% efficient.

Our Rural Power Representatives will gladly furnish you with the names of reliable pump engineers who will test your pump efficiency. For further information, write or telephone our nearest office.
